June 2011

From Our President...

Ladies,

June is here, but first I want to reflect on the remarkable month of May.

First of all, everyone that worked on little dresses for Africa project surpassed my goal of 500 dresses! The actual number is 525. And we're still working! I can't wait to see some of them on the little girls. Thanks to EVERYONE!!!

Of course, now we must focus on the little boys. Do you think we could make 250 shorts? Please look through your stash and see if you have any "boy" fabric. **Bring to the July meeting.**

And on a personal note, I am now OFFICIALLY retired! My husband is worried that we'll have too much *quality* time together and I'm afraid we won't have *any* time! I've got lots of plans (sewing, quilting, traveling, sewing, reading, playing golf (maybe I'll see him then), visiting friends and family, and sewing).

If you email me at my school email address, please start using my yahoo account.

Please remember that our meetings will now begin at **6:30 p.m.**

June is full of lots of fun stuff. Be sure and attend Madeline's picnic. There's always lots of good food and great friendship. And last year we had the best summer tea you'll ever drink. If you haven't ever attended one of the guild workshops, this month is the time to start.

Thanks, Sally, for assisting with the meeting this month.

I'll see everyone in July. I can't wait to see what Nancy Bishop has in store for us!

Vickie Howard, President

June Program: Donna Drees Truck Show. She and her husband come to us from Warrensburg, Missouri. The Dees family lived in Cape Girardeau several years ago and are looking forward to coming back to visit with old friends and make new ones. She was looking for a new hobby and happened to see a quilt and the rest is history. One of her favorite things is to find short-cuts and new ways to make quilting more enjoyable. While teaching on the local, regional and state levels, Donna has met many talented and delightful women who share her enthusiasm for quilting. We are excited to welcome her to our guild meeting and to learn from her many talents at the workshop on Sunday and repeated on Monday.

Fat Quarter and BOM

*Bring a **purple** fat quarter to the June meeting and you will be entered to win all of the Fat Quarters. Also bring your BOM to put in the drawing to win them all. [May Block of the Month](#) patterns are on the guild website. Go to the link on the right side of the home page.*

After the May Quilt Guild meeting I delivered 10 heart shaped pillows, sewn by Clara Friese, to the American Cancer office. One pillowcase, sewn by Darla Snider, was given to Pat Smith for delivery to Southeast Hospital. Pillows and pillowcases can be brought to any monthly Guild meeting or you can deliver them yourself. Thanks to all who took patterns at the May meeting. Darla Snider

RHQG Meeting Minutes, May 9, 2011

On May 9, 2011, at 6:45 the River Heritage Quilt Guild was called to order by President Vickie Howard at the Cape Girardeau Public Library. Sixty-six members and two guests were present. The **minutes** were approved after a motion was made by Joycelyn Kasten and seconded by Kay Kenner.

Nine members were recognized for **May birthdays** and presented with fat quarters and baskets of candy.

Service pins were awarded to those who were absent last month.

Lynne Taylor was congratulated for taking the **top prize in the miniature quilts** category at the Paducah Quilt Show. She received a \$3000 prize and her quilt is on display at the museum.

Dresses for Africa has surpassed its goal of 500 in only 5 months. Of the 521 dresses 100 of them will be sent to Africa with a group from the Baptist Church in June and another group will take later this summer. Vickie announced that any other groups wanting to take some to Africa should contact her.

Madeline Gieselman invited all members to her house for a **picnic** on June 27 at 6:00. A carpool will be meeting at Pioneer Orchard in Jackson at 5:30 in order to find their way to her house. A sign up sheet was available. Call Madeline if interested.

The **guild cookbook** is coming along according to the chairperson, Madeline Gieselman.

Nancy East requested volunteers to bind eight quilts the **Community Projects** group brought to the meeting.

MYSTERY QUILT SHOP HOP: One very happy quilter wrote a lovely report of the recent Mystery Quilt Shop Hop that led her to quilt shops in Tennessee, Kentucky, Illinois, Nebraska and Missouri. Due to an unusually high volume of news, sad and otherwise, there was not room for the whole report and it is too good to chop up. You can read the whole story online, and I will try to fit into the July newsletter for those without computers. It is a link on the guild home page on the list of links on the right. Go to Mystery Quilt Hop Report.

Sad News about our Quilting Family:

Bill East, husband of Nancy East and friend of many guild members:

Our thoughts and prayers go out to Nancy East and her family on the passing of her husband, Bill. Bill was one of the driving forces in getting our quilt show up and running in 1996. He was always willing to help and had the set up down pat. It was kind of scary the first time we had to do it without him. When Nancy was unable to drive at night, he brought her to guild and to any other activities so that she could stay involved. Nancy and her family will miss him, so will River Heritage Quilters' Guild.

Dorothy Bowers, former member:

Dorothy Bowers, a former member of the guild, passed away May 19th at her home in Cape. Her family ran a stamp business out of the home, and she gave a presentation to the guild about making paper pieced quilts using her stamps on muslin. Her daughter, Barb Campbell, is also a former member.

Community Projects — You can help at home!

Of course it is the most fun to join the group at Nancy's house, but some of us are not free during the day. Let Nancy or someone on the committee know, and you can take home a sack. They will give you a sack with the top, batting, backing, and maybe the binding. You can finish the quilt

- * The quilt may be tied, machine tacked, hand or machine quilted or any combination.
- * Whatever you do must be no more than four inches apart.
- * Some will come with binding, some may not.
- * Please try to finish the quilt by the next meeting.
- * If you have any questions please call Nancy East.
